Compact, cost-efficient
multitaskers

All-round functionality adapted to your office

Smooth operation, security, cost-efficiency – these are the benefits you want from an office solution. The Lanier MP 20ISPF fulfil your demands perfectly. Compact but fast, these A4 multifunctionals are more powerful than their size suggests. Enjoy a wide range of functions at an attractive Total Cost of Ownership. As an extra benefit, the MP 20ISPF can be customised with our Software Development Kit, adding even more value to your existing fleet.

- Fast copying (20 ppm).
- Standard duplexing.
- Advanced faxing
- Standard multifunctionality
- Push scan functions
- PCL & Postscript 3 Standard

Compact power

Flexible Scanning

Documents are easily digitised, stored and distributed with the multifunctional's colour scanner. To save time, you can scan up to 50 sheets at once with the MP 20ISPF's standard ARDF. Swift and easy distribution is guaranteed: scan to e-mail, to folder or to USB/SD card.

Efficient Printing

Lanier's small MFPs boast sophisticated printer features. To maximise your efficiency, use the Stored Print/Store and Print functions. Avoid wasting time and consumables on misprints by making sample prints.

Productive

- Short warm-up times.
- Fast first output (7.5 seconds or less).
- High-speed production at 20 pages per minute.
- Few refills with unique 1,350-sheet paper capacity.

Lanier MP 20 ISPF

Security

Digital distribution is the norm, but security issues are an everyday reality. The MP 20 ISPF offers the safety you require. The Data Overwrite Security Unit and Encryption unit protect your device's HDD. Internal documents are secured by the printer's Locked Print and Hold Print functions. (Requires option HDD).

Powerful G3 Faxing

- Get notified if documents have been placed upside down.
 - Check, store and print fax messages from your computer with Web Image Monitor*
 - Avoid sending fax messages to the wrong destination.
Enter the number twice, or send after double-checking.
- *Optional HDD required.

We think green, do you?

Lanier uses toxic-free materials for all its hardware. Our low-energy toner production methods are unique. The Lanier MP 20 ISPF takes environmental care further. Their power consumption is very low, and operation is clean and quiet. As an extra contribution to sustainable business, their duplex unit is standard.
